

Date: August 31, 2010

Dear Parents,

J & J Chinese school has successfully tutored a group of high school 9th graders with a total of 8 classes this summer. We focused on AP preparation in Austin from June 5th to August 21. Every student has learned a lot from the 8 model tests covered in the classes.

Since all 8 tests are mutually independent; so we continue offering this class in fall 2010 if three students enrolled. You can take all 8 or just some of them according to your schedule. Students will only need to pay for the classes that they have made a reservation.

Bellow Table-1 is a potential schedule plan. Please reserve only the classes you are able to attend. The class size ranges from three to six students.

Each AP class needs at least 2 hours to reasonably cover the necessary contents. Students do **NOT** have to buy the textbook. J & J School will provide you a textbook to use in the classroom. The textbook we will be using is called *AP Chinese Language & Culture*. The more classes you take, the better prepared you will be for the real test in May 2011.

The tuition rate is listed below in Table-2. If a class has less than 3 students reserved, the class will be cancelled, unless other arrangements are made. All students who register for a class after the class has been filled (6 max) will be placed on a waiting list. A 10% discount rate is offered to the 2nd or 3rd student from the same family, and to eWrite students who have enrolled for spring semester.
